THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bennington, in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bennington on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To see if the town will appropriate \$50 for Memorial Day.
4. To see if the town will vote to raise and appropriate a sufficient sum of money to secure hydrant service.
5. To see what action the town will take in regard to State aid for highways and the maintenance of same.
6. To see what sum the town will vote to raise and appropriate for highways.
7. To see what sum of money the town will vote to appropriate for lighting the streets with electricity.
8. To see what action the town will take in fixing the price of liquor license in this town or take any vote in relation thereto.
9. To see if the town will vote to appropriate a sum of money for the suppression of the gypsy and brown-tail moths.
10. To see if the town will vote to appropriate a sum of money for the further improvement of Sunnyside cemetery equal to that received from the indirect tax of A. A. Ramsey, as paid the town by the state treasurer in the year 1916 on railroad stock, insurance tax, and savings bank deposits or take any action thereon.

11. To see if the town will vote to accept legacies and gifts to the town in trust by different individuals, the income to be used in the care of cemetery lots.

12. To see if the town will vote to put a fire escape on the town hall and raise and appropriate money for the same.

13. To choose trustees as required by the law passed at the January session of the Legislature for 1915.

14. To see what action the town will take in regard to erecting a suitable railing along the Antrim road and raise and appropriate a sum of money for the same.

15. To see what action the town will take in regard to recovering sidewalks and raise and appropriate money for the same.

16. To see if the town will vote to accept the legacy given by Willard S. Carlin for a town clock and take any other action in relation to the same.

17. To see if the town will vote to buy 500 feet of new cotton hose or take any action relating thereto, and make appropriation for the same.

18. To see if the town will vote to buy a piece of land suitable for a dumping ground and raise and appropriate money for the same.

19. To see if the town will vote to buy some new equipment for fighting forest fires or take any action relating thereto and appropriate money for the same.

Given under our hands and seal the twenty-sixth day of February, in the year of our Lord nineteen hundred and sixteen.

LIBRARY TRUSTEES' REPORT OF THE G. E. P. DODGE
LIBRARY

There are seventy-five taking out books at the present time. There have been added sixty-nine books this year, thirty-eight by purchase and thirty-one by gift. We now have twenty-eight hundred and thirteen books on the shelves. We are taking ten magazines this year. Books and magazines have been received from the following persons, to whom the trustees extend thanks: Mrs. S. J. Odell, F. W. Odell, Mrs. W. S. Carlin, Mrs. Charles Burnham, Mrs. Wallace and Mrs. Ella Richardson.

We have received the gift from the W. S. Carlin Est. with which we hope to start a fund for books for boys and girls, to be known as the W. S. Carlin Fund.

We have decided to have open stacks allowing the public to take books from the shelves, also to change the hours of keeping open and some other minor changes.

ALLAN GERRARD,
HENRY W. WILSON,

Trustees of G. E. P. Dodge Library.

FIREWARDS' REPORT

For the year ending Feb. 15, 1916

Your firewards report as follows:

Merrimack Engine, No. 1, is in about the same condition as last year. We had one occasion to try it at the Adams' fire and it was found to work in first class shape.

We have the following hose: 500 feet of new hose $2\frac{1}{2}$ inch, 450 feet $2\frac{1}{4}$ inch in good shape, 300 feet $2\frac{1}{4}$ inch in fair shape and 200 feet in poor shape.

We have one Babcock fire extinguisher in poor shape, two Keystone fire extinguishers in good shape, also fire hooks, one 24-foot, one 22-foot, one 20-foot ladders, shovels, lanterns, pails and rubber coats.

The Company has responded to one fire at Adams Tavern which threatened to wipe out the central part of the village, but owing to the hydrants and the faithful work of the firemen and help from out of town it was confined to one house.

The Town has purchased a new hose wagon which will be a great help to the hose company.

We would recommend that the Town buy 1,000 feet of new hose, $2\frac{1}{2}$ inch, one dozen shovels and 10 rubber coats and caps for the firemen.

HENRY W. WILSON,

FRED L. EATON,

Firewards.
